REMINDER

Boating Safety

Please remember to obey the speed limits on all parts of the lake and to use the boating channel through the narrows. The Glen Echo Lake courtesy rules are posted on the website. Please take a minute to download and review the rules with everyone in your family.

The Narrows buoys have been installed. Please stay within this channel at all times while traveling through the narrows. Remember these buoys delineate the boating channel from resident's swim areas.

Some reminders:

- Traffic flows counter-clockwise on Glen Echo Lake. Please go with the flow and avoid accidents and confrontations.
- Drivers and passengers should be seated at all times – STATE LAW requires a spotter while towing. The spotter must be at least 12 years old.
- No persons under the age of 16 may operate a PWC.
- Water-skiers, tubers, etc., MUST stay **DIRECTLY BEHIND THE BOAT** while traveling through the narrows.

Please remember to use common sense and courtesy while on the water!!

DUES – A REMINDER!

Dues for the 2011 calendar year, were due on 1 April 2011. If you are a **GATE KEY OWNER** and have not paid your 2011 dues, please send your dues in as soon as possible. This will preclude the need to change the lock and to *reissue* keys to all users.

Dues forms were sent out early in February 2011. If you need a new form, please download one from the GEIA website.
